

Ein Stückchen Deutschland in Vietnam

45 Jahre diplomatische Beziehungen Deutschland – Vietnam

A Piece of Germany in Vietnam – 45 years of diplomatic relations of Germany and Vietnam

November 28th 2020

To honour the 45 years of diplomatic relations between Germany and Vietnam, the Consulate General of the Federal Republic of Germany, is planning a celebration

on November 28th 2020, from 10.00h – 18.00h at Deutsches Haus in D1, HCMC.

The festivities are open to the public and planned as a family-, non-profit festival with eating/drinking stands, exhibition objects, photo opportunities, and more interactive offers. A small entrance fee in exchange for vouchers to be redeemed at any stand is going to secure the entrance management. Additional vouchers may be purchased by the visitors. These fees are set to cover some of the costs of the event.

The Consulate General welcomes all companies with strong ties to Germany to submit an application for participation. Due to limited space and health concept regulations, only a certain number of participants can be accepted.

The following criteria have to be fulfilled by every possible participant to ensure a coherent concept:

- The company must have strong ties to Germany. This should be reflected in its contribution as well.
- The contribution should be interactive and fun for the visitors. It could, for example, offer a living experience, games, food, beverages, a prize for a wheel of fortune or similar.
- Companies with an interesting development reflecting the history of both countries may submit photographs to be displayed in a photo exhibition.
- The event is supposed to be a celebration and not a sole advertisement opportunity. Therefore, any applications containing exclusively publicity or promotion materials, such as brochures, plain company information etc., cannot be considered as a contribution.
- The celebration is a non-profit event. However, there is a limited budget available for companies offering food/beverage, and who are not able to cover all of their expenses. Please include a financing plan in your application if you are seeking financial support.
- No cash transactions, neither cash nor digital, are allowed on site.
